

If you would like to give to somebody special to you, some of our programmes as a gift (Competition/Stage/adults) due to his/her birthday, Christmas present etc., we suggest that you personalise the gift with a signed letter by Juan Carlos Ferrero.

Example of the letter:

Dear _____,

I'm Juan Carlos Ferrero. I am writing to you because your Family/friends/relatives contacted me in order to arrange a visit to my academy and enjoy a couple of days with us.

I'm very happy to write this letter for you, I will see you very soon!

In just a few months, you will be able to get to know the place where I have been living and training since I started my tennis career, and also where I could reach the World No.1. I am completely sure that during your stay you will improve your level as well as I did when I was your age. But the most important thing for me is that you will make lots of new friends!

Until then, I want to send you our sweatshirt. I have got the same!

I cannot wait to meet you soon and of course to watch you play tennis!

Best regards

Juan Carlos Ferrero Donat
