

WELCOME TO THE SUMMER STAGE 2020!

Firstly, we would like to thank you for trusting us. We assure you that we will take care of your child as if she/he was our own, and we will try him/her to enjoy and learn during the time in our academy. Below, you can find additional information about the stay with us.

- The entry day is on Sunday from 10am (if it is possible before the lunch). On the contrary if you are planning to arrive after midday, it would be important not to be here after 17h, when the meeting with all the staff and the children will be held in order to explain them how our summer stage works.
- At the arrival, players and parents must go to the reception, where you will be asked for the ID or passport as well as the health insurance card.
- Please note that the pocket money (for ice creams or beverages) mustn't be kept into the rooms, but keep it in the reception also at the arrival. The academy will not assume any liability of possible loss or theft. The player could have the money when he/she wants. Unless the parents indicate otherwise, they will can have just 5€ per day.
- Children don't need any electronic device during the day, including the mobile phone. If they bring any, they will be told to bring it back to their rooms and use it moderately just after the lunch or dinner time. The main use of a mobile phone is to call parents and after the call, keep doing the activities. Under no circumstances, players are allowed to bring their mobile phones to the court or out of the rooms. Also, it is not allowed to take phones to the excursions to avoid losses. We cannot take responsibilities of the lost mobiles caused by breach of rules.
- The best time to call will be between 20h to 22h, moment in which the players have already had the dinner and are doing entertainment activities with our monitors. The telephone number of the reception is (+34) 965.340.013. If any problem, you could call this number at any time (24h number for urgencies)
- The departures will be on Saturdays, children should be picked up in the morning from 9.30h. In case they have to stay in the academy till the evening, you should inform the organisation even though there is not any problem for us. As well as if they have to stay another day,

the fee will be 65€ per additional night and they will do the same activities as usual.

- The academy offers a laundry service. The clothes are collected from Monday to Thursday and should be paid at the check-out (8€/kg). The clothes must be marked with the name of the player. The academy will not be responsible for the lost clothes if they are not well marked.
- All the meals are developed by a nutritionist and offer a wide variety to be chosen by the player.
- The academy is located about 40 minutes of Alicante airport and very near to the train station of Villena AV (the fastest train in Spain that connect Madrid-Puerta de Atocha with Villena-Alicante). We can organize a transfer for you at the airport or train station of Alicante, Villena, Valencia, Murcia and Albacete. The price for the transfer depends on the service.
